## About

The Guiding Light Society is a multi-year donor opportunity designed to give donors the ability to make a significant, impactful gift of \$15,000 to 150,000 or more over a period of time.

A three-year gift to Horizon House not only enhances our ability to make a lasting impact in the community but also may offer you valuable tax benefits. Your generosity helps foster a deeper, ongoing connection with our organization, providing flexibility in your giving to match your goals. Additionally, your support opens doors for special recognition and ensures the stability needed to serve those in need now and in the future.

# Making your Gift

Considering a multi-year gift, it's important to make sure your gift will be manageable, impactful, and meaningful to both you and Horizon House.

- Assess your personal financial capacity to be sure you can comfortably fulfill your pledge.
- Discuss and understand the specific terms of your gift, including the total amount, payment schedule, scheduled payment amounts, and any conditions associated with your gift.
- Review any legal and tax implications with your attorney or financial advisor.

Horizon House is committed to ensuring that you have a copy of your gift agreement along with plans for communicating its impact and recognizing your dedication to building foundations to end homelessness.
